

**H.W. Larsen & Sønner AS**

Baldersbækvej 8 A  
2635 Ishøj  
DENMARK

**Declaration of conformity**  
with the EU regulation number 1935/2004

We hereby certify that the following products delivered to H.W. Larsen & Sønner AS meet all requirements of the EU Regulation No. 1935/2004 of the European Council and the European Parliament of 27 October 2004 due to the material composition:

Product	Name	Materials
15525	Rice spoon Chef	stainless steel AISI 304 high polished

In particular, it is ensured that

- the material is sufficiently inert that no substances in quantities hazardous to health are transferred to foodstuffs
- no active or other new materials are used.

Due to the material properties, the above products are to be classified as food safe in the sense of EU Regulation 1935/2004.
