

RANGE COMPOSITION

EVO700: a range of over 100 models designed to guarantee the highest level of performance, reliability, energy saving, safety standards and ergonomic operation. These concepts are reflected throughout the line in its modularity, construction and numerous configurations: countertop (on base or table), free-standing, on concrete or stainless steel socle, bridged or cantilever. Thanks to its advance technology and premium performance, EVO700 is a perfect solution for institutions of small sizes with limited footprint as well as restaurants needing to obtain the most from the kitchen space. The models detailed in this sheet are open bases.
