

Taastrup, 4th June, 2023

Freezability statement

We hereby confirm that PP UniPak 195 x 195 mm 1500 ml, article no 554118002, PP UniPak 195 x 195 mm 3100 ml, article no 554418002, PP UniPak 195 x 195 mm 5000 ml, article no 554818002 and UniPak Standard Lid 195 x 195 mm, article no 254018002 are suitable for long term storage at ambient temperature or below. According to legislation (EC10/2011) long term storage means any storage above 30 days and temperature below ambient includes also below 0°C.

However due to brittleness of plastic in low temperatures, Berry Superfos packaging must be tested by the customer with the actual product before approval for use at low temperatures.

The present certificate is valid for a period of one year starting from the date first above written.

If you have any questions you are welcome to contact us.

Best regards,

Berry Superfos
